

Body Worn Camera

M508

1296P Body camera

M508

Smaller Body Lighter Weight

99g

70*47*26mm

External TF card Storage

Easy to expand the memory, more convenient

**32GB/64GB
128GB/256GB**

Product Features:

- 1、 HD video support: 2304 * 1296 ,1920 * 1080, 1280 * 720,848*480
- 2、 Maximum effective pixel: 12 MB,4032×3024
- 3、 Built-in 2350 MAH battery ,10 hours recording time in 720P resolution
- 4、 The lens angle is more than 140 degrees
- 5、 Built-in 2 large power external night vision lights, 10 meters to see the face
- 6、 With LED white light, can be color recording at night
- 7、 Watermark shows the device ID, officer ID, date and time
- 8、 Support red and blue explosion flash and sound alarm
- 9、 Support for loop video recording, car mode
- 10、 support H.264/H.265 Video encoding
- 11、 Support magnetic suction back clip, long back clip two wearing ways
- 12、 The Weighs only 99 grams
- 13、 IP65 protection grade

Product Parameter

ITEM	Parameters
Video	
Sensor	GC2053 2Mega CMOS
Pixel Size	4032×3024(12M)/3648×2736(10M)/ 3264×2448(8M)/2592×1944(5M)/ 2048×1536(3M)/640×480(VGA)
Resolution of video	2304×1296/1920×1080/1280×720/848×480
Video Format	MP4 H.264&H.265
Fast forward backwards	2X, 4X, 8X,16X
Audio format	WAV

Video output	Type-C
Photo Format	JPEG
Pre recording time	Up to 30 seconds
Time of delay	Up to 1 minute
Quality of video	Best/quality/standard
Segmented time	5min/10min/15min

RECODA

Watermark	User ID,Time and Date Stamp (and GPS)
Camera	2 million camera
snapshot	Supports capturing photos during video shooting
Memory capacity	32G /64G/128G/256G
One click recording	Supports one-click recording
Infrared light Switch	Automatic/Manual
display screen	1.6-inch TFT-LCD HD display
Video camera	
Angle of view	Wide Angle 140°
Night vision shooting	Support -- Built-in two high-intensity infrared lighting systems;You can see faces from 10 meters away
Clip	High quality 360° rotating metal clip
Battery	
Type	Standard 3.8V lithium-ion polymer battery 2350mAh
Charge duration	4H
Time of use	Working 10 hours at 720P
Other	
Specifications	70mm*47mm*26mm
Class of protection	IP65 waterproof/dust-proof / 3-meter fall proof
Weight	99g (5.64oz)
